Carmel Catholic High School Streets Scenes Art Contest

Carmel Catholic High School invites your school/organization to participate in the Street Scenes "Flat" Decorating Contest. A Street Scenes "flat" is a framed piece of cardboard (4ft x 8ft) which, in past Street Scenes events, lined the outer perimeter of classrooms during Carmel Catholic's annual Street Scenes fundraiser. These "flats" were instrumental in transforming standard classrooms into music venues, restaurants, improv theaters, etc.

To honor this tradition, we are challenging schools and community organizations to create the greatest possible art representative of their school/organization on a Street Scenes "flat" and enter it into our Street Scenes "flat" contest. The contest will last the duration of Carmel Catholic's summer Street Scenes event on July 16 and 17, 2022. Awards in the amount of \$500 will be given to the three organizations whose "flats" receive the most votes during the two-day event.

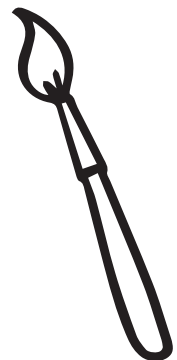

HOW TO PARTICIPATE:

Complete the "Street Scenes Flat Request Form" to join the contest and request your organization's/institution's "flat" from CCHS.

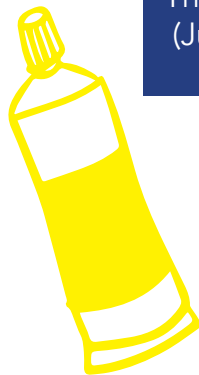

WHEN:

The contest will occur over a two-day period (July 16 and 17, 2022). At the conclusion of the event, votes will be counted.

THE CONTEST:

Every Street Scenes attendee will be allowed one vote per day. Voting must occur in person.

PRIZES:

The top 3 flats will be awarded a \$500 prize. Prize money will be paid directly to the winning organizations/institutions.
